### **Elite Resorts at Citrus Valley COA**

Dear New Owner,

Congratulations on the purchase of your property in Elite Resorts at Citrus Valley. On behalf of the Elite Resorts at Citrus Valley Condominium Association, we welcome you to our community. We look forward to meeting you and sharing all that the Resort has to offer.

Many people are naturally quite taken by their own little piece of paradise when they first move into this community and they quickly realize that the entire resort is remarkable.

First, we recommend that you register on our Association website: [www.mycitrusvalley.com](http://www.mycitrusvalley.com). The documents on our website include Declarations, Rules and Regulations, Board of Directors information, Association Manager information, Architectural Review process and Volunteer Committee information, as well as many more. Take time to familiarize yourself with the documents and committees.

The ERCV New Owners Information pages that follow contain a brief listing to guide you as you settle into life here. All the documents included in this Welcome Packet can also be found on [www.mycitrusvalley.com](http://www.mycitrusvalley.com).

We are very happy you selected Elite Resorts at Citrus Valley. We look forward to you being an active part of our community.

Sincerely,

Elite Resorts at Citrus Valley
